Art Unit: 1614

Claims 15 and 89-95 are presented for examination.

The remarks filed on have been received and entered.

Claims 15 and 89-95 are rejected under 35 U.S.C. 102 as being anticipated by Hubbard et al. for the reasons set forth on page 2 of the office action of February 13, 2004.

Claims 15 and 88-95 are provisionally rejected under the judicially created doctrine of obviousness –type double patenting as being unpatentable over claims 37 and 46-50 of the office action of February 13, 2004.

Applicant's arguments and declaration have been carefully considered, but are not deemed to be persuasive. Applicant in his declaration attempts to show that the plasma concentration of Ritalin in patient 2 of Hubbard reference actually decreases over the 6 hour period. Applicant is reminded that the claims of the instant application are drawn to "substantially ascending", and the presented data in figures 3 as preferred embodiment of the invention show a sharp decline up to about three hours and a sustained release up to eight hours. Applicant has presented no evidence to establish the unexpected or unobvious nature of the claimed invention, and as such, the prior rejection sustains.

Applicant is requested to submit a copy of Patrick reference for examiner's consideration.

Applicant is requested to submit a copy of PTO-1449 filed on January 4, 2000.

Applicant is requested to submit a copy of preliminary amendment filed on June 11, 1999.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Zohreh Fay whose telephone number is (571) 272-0573. The examiner can normally be reached on 9:30-6:00.
